3Cavs 3.0

Welcome to the 3Cavaliers Application form. Please provide the details for your $80,000 project below. The information provided will be used for the review process.

For more information about the program specific guidelines, please visit our website.

Principal Investigator:

Please provide the following information for the lead PI.

First Name:

Last Name: _____

Computing ID: _____

Primary School or Unit:

Please indicate the school or unit for the primary appointment of the lead PI.

○ College and Graduate School of Arts & Sciences

○ Darden School of Business

○ Frank Batten School of Leadership and Public Policy

○ McIntire School of Commerce

○ School of Architecture

○ School of Data Science

○ School of Education and Human Development

○ School of Engineering and Applied Science

○ School of Law

○ School of Medicine

○ School of Nursing

○ UVA's College at Wise

○ UVA Library

○ Other (please specify)

If other, please specify the school or unit for the lead PI.

[   ]

Fiscal Contact for Lead PI:

Please provide the name and UVA email address of the fiscal contact for this project, should it be awarded.

First and Last
Name: [   ]

Email Address: [   ]

Co-Principal Investigator #1:

Please provide the following information for the first co-PI.

First Name:

Last Name:

Computing ID:

Primary School or Unit:

Please indicate the school or unit for the primary appointment of the first co-PI.

○ College and Graduate School of Arts & Sciences

○ Darden School of Business

○ Frank Batten School of Leadership and Public Policy

○ McIntire School of Commerce

○ School of Architecture

○ School of Data Science

○ School of Education and Human Development

○ School of Engineering and Applied Science

○ School of Law

○ School of Medicine

○ School of Nursing
○ UVA's College at Wise
○ UVA Library
○ Other (please specify)

If other, please specify the school or unit for PI.

[   ]

Co-Principal Investigator #2:

Please provide the following information for the second co-PI.

First Name: [   ]

Last Name: [   ]

Computing ID: [   ]

Primary School or Unit:

Please indicate the school or unit for the primary appointment of the second co-PI.

○ College and Graduate School of Arts & Sciences

○ Darden School of Business

○ Frank Batten School of Leadership and Public Policy

○ McIntire School of Commerce

○ School of Architecture

○ School of Data Science

○ School of Education and Human Development

○ School of Engineering and Applied Science

○ School of Law

○ School of Medicine

○ School of Nursing

○ UVA's College at Wise

○ UVA Library

○ Other (please specify)

If other, please specify the school or unit for the PI.

School or Unit Application Requirements ($80k Project Grants):

- *College and Graduate School of Arts & Sciences* (Participants from CLAS, there is an expectation of submission for sponsored program funding within 2-years of receiving funds.)
- *Darden School of Business* (Participants from Darden, there is an expectation funding is for use towards generating and publishing peer reviewed research.)
- *Frank Batten School of Leadership and Public Policy* (Participants from Batten projects should be submitted to conferences and workshops, and a draft should be prepared for submission to a peer-reviewed journal.)
- *McIntire School of Commerce* (Participants from McIntire, there is an expectation funding is for use towards generating and submitting peer-reviewed research and/or submission for sponsored program funding.)
- *School of Architecture* (Participants from SARC will be expected to either apply for a sponsored award, submit a

manuscript, or both.)

- *School of Data Science* (Participants from SDS, there is an expectation of preparation of an external funding proposal or manuscript.)
- *School of Education and Human Development* (Both tenure track and AGF faculty are eligible to participate; however, participation may not impact load for AGF. Participants from EHD who receive the$80K awards are expected to submit a proposal for external funding to a federal agency (with full IDC) for a total award amount of > $500,000 within 2 years of receiving funds.)
- *School of Engineering and Applied Science* (Participants from SEAS, there is an expectation of submission for external funding within 2-years of receiving funds.)
- *School of Law* (Participants from Law selected for the program will be required to use on their own research and RA budgets for matching funds).
- *School of Medicine* (Participants from SOM, there is an expectation of submission for external funding of an NIH R01, P- or U-level application or equivalent within 2-years of receiving funds. SOM faculty may not apply for $15K awards.)
- *School of Nursing* (Participants from SON who receive the $80K awards are expected to submit a proposal for external

funding to a federal agency (with full IDC) within 2 years of receiving funds).

○ I acknowledge that I have read the school or unit requirements (listed above) for submitting a project.

Fostering Interdisciplinary Research Culture:

Please describe how your team fulfills the cross-disciplinary requirement (more than one discipline/area) for 3Cavs projects. (Max: 250 words)

Title of Project:

[   ]

Project Summary:

Please provide a summary of your project. Including how this project is novel or innovative. (Max: 500 words)

[   ]

Describe how your project plan will achieve the anticipated outcomes for your project:

Please provide a detailed plan for how successful completion of the proposed work would lead to outcomes your project is aligned with (external funding/peer-reviewed publication/creative work/other). Some view this as return on

investment. (Max: 250 words)

```

```

Project Budget:

Please provide a high-level budget for your project. (e.g., broad expense categories and dollar amounts). (Reminder: Your total project budget should not exceed $80k. No faculty salaries may be included)

```

```

Societal Impact:

How does this project ultimately advance discovery and or benefit society? Additionally, provide any next steps after this project that are planned toward this goal. (Max: 250 words)
